What's Your Prescription for Safety?

Poisoning from prescriptions medication is a growing problem in North Carolina—Since 1999 nearly 4,500 people have died from prescription drug poisonings.

Let Operation Medicine Drop protect your family—
Take your unused medicines to a drop off site where
law enforcement can dispose of them properly.

April 24th, 2010

11:00 a.m.—1:00 p.m.

At participating Walgreens
